REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: None of the prior art of record alone or in combination teaches or fairly suggest applicant's claimed invention for the following examiner's reasons for allowance:

Applicant's independent claims 1 and 14, claim among other things "wherein **each reflector segment is positioned such that the segment optical axis substantially intersects with an edge of the light source**, such that the reflector segment optical axis aligns with the central optical axis of the reflecting surface forming a sharp cutoff between an illuminated area and a glare area of the light beam without the aid of occulting elements." which is not taught or fairly suggested by the prior art or record.

Claims 2-13 depend on independent claim 1.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
